

Cumulative Annual Index

The cumulative annual index lists (in bold type) each article author, country, colony and dependent territory, topic, and international organization that has been covered by *International Issues* during the volume year. In addition, each country, colony and dependent territory, and international organization listed in the *Almanac* issues of **Current World Leaders** is entered in bold type. All major headings, and citations within these headings, are arranged in alphabetical order.

The month and number following each entry indicate the issue and page number of **Current World Leaders International Issues** in which the entry appeared. The letters in parentheses indicate that the entry refers to: (FA) a feature article, (R) a report, or (S) a speech. Abbreviations used in this index are found on page 10.
